From 2001- 2006 the Board participated in a program with the Silver Springs Park and Wild Waters Waterpark to offer Board of Sumter County Commissioner employees discounts to the Silver Springs Park and Wild Waters Waterpark. In 2007 and 2008 there was not a program offered. The Board of Sumter County Commissioners is now being offered the opportunity to participate. This program is at no cost to the county and is valid through the 2009 season. The employees will have the opportunity to purchase and print tickets from their home at a discounted price.
